AND WE JUST READ YOURS

Rebecca Linares

Thank you for Rebecca's pictorial in your last issue. I have been waiting quite some time to see her in print again. I had seen her in videos and she is hot, hot, hot. The photos are kinda like a still frame, but more clear, and the shots of her great breasts are to die for. I must say, I was very impressed. She looked like she had a great time, which is always refreshing. Nothing worse than a girl who is totally emotionless while getting fucked. The look of pleasure on her face while her fuzzy box was filled with cock was treat and the penetration shots themselves were nice and clear in a variety of different positions. That sloppy cum shot on her marvelous boobs was a winner too. Seeing that goop all over her chest made me below the biggest, hardest load that I've had in a really long time.

• Goodwin M.

Vanessa Veracruz

I think Vanessa is going to be every readers new favorite girl, or at least brunette. Who can resist those beautiful long black curls? That sexy toreador jacket, heels and lingerie underneath are really stylish and add to her glamorous Latina appeal. When it comes to exotic women, there's no need to reinvent the wheel. Her classic look will always be a winner. I think for many of us, the fantasies are just as strong for what the girl is wearing as they are for her naked. I especially liked the black fleur-de-lis ring on her long fingers and sexy shoes throughout the pictorial. I love how she stands there so statuesque and confident, in her photos. She looks like she's realized that she is a sexy women who men desire and has developed the confidence to own that. She's like a prey animal ready to devour. And how I would devour that sweet pussy and ass hole of hers. Thank you for sharing this marvelous creature with me.

A woman with long dark hair is sitting on a couch, looking directly at the camera with a slight smile. She is wearing a white bikini top with pink floral patterns and matching pink floral shorts. The background shows a wooden floor and a dark couch.

Believe it or not, I write sex stories. I have my own blog with 18,000 followers. Most all of them are girls. I like sharing my sexual experiences. I was only in front of the camera for a few years and did less than a dozen movies, but what I experienced, I turned into the stories and reminiscences in my blog. Some guys even recognized themselves.

¡Fantasia...? Fulfilled

Another Friday night was quickly approaching and after a long day at work I was excited to finally meet Felipe and Roberta. They were attending a wedding in Tampa near my home and I was in a rush to get showered and changed. Felipe and I had talked for a long time on our cells, and he had told Bobbie how much I wanted to meet her, loving her photos. After a while we skyped all together, they told me they liked the idea of trying a threesome.

Her dress rode up as she climbed over the seat exposing her panties. She did not try to hide them.

I arrived at the hotel where the reception was being held about 8 that evening but we were not due to meet until about a half hour later, but I wanted to see if I got a quick glance of them, in the flesh so to speak. It was a busy night with many hotel guests mulling around before the evening got in to full swing after a big event from that day.

Felipe and I had met at a soccer exhibition game for the new Miami team in the MLS. We happened to be sitting next to each other and big fans. He had come up alone from Ft. Myers and we hit it off at the break after the first period. He said he was a deep sea fishing guide, taking clients into the Gulf for sport fishing. I told him I had just split with my girlfriend and hoped to find another soon. He

said he had a fuck buddy, Roberta, but called her Bobbie, that was into fun sex and he'd be happy to introduce us. I said I was a little reluctant, but then he showed me some sexy photos of her on his cell and almost immediately my pants tightened.

I went into the hotel's lounge area I spotted a table with empty seats and had only just sat down when Felipe arrived, spotted me and said "¡Hola, Tomas.

Nice to see you again." and it was not long before I saw Bobbie walking towards us wearing a very nice summer dress, and she looked gorgeous. Black high heels and a nice handbag to set off her wedding guest look. She was smiling too. Felipe got up to get her a drink and I stood and kissed her on the cheek and said it was nice to meet her long last. She blushed and said yes it is, and as we sat down the smell of her perfume was very erotic to me.

Felipe came back to the table with their drinks, he was a nice guy so chatting was quite easy, and Bobbie joined in too, and we all seemed to get on well together. When I finished my beer, I offered to get them a drink,

to which they accepted. Standing at the bar, I could not help but think of Bobbie, what a looker she was dressed in her summery dress. She had beautiful firm breasts, beautiful black hair, and a great figure.

Sitting back at the table with the drinks, the conversation seemed to flow easy between the three of us, I knew a little about them and like wise with me. It was Felipe's turn for the next round and Bobbie excused herself for the toilet at the same time. I could see them talking and looking at me from just outside the door. Whatever was said Bobbie looked pleased when she came back to the table and sat next to me, pulling her dress up her leg as she stepped over the seat. Apparently Bobbie is quite instrumental in getting customers for Felipe's business. She says she entertains them in special ways if they book a trip with him.

Bobbie seemed to be getting more flirtatious with me even when Felipe arrived back. I watched Bobbie and Fe-

leg, running her hand up to my crotch and making me jump as she felt my balls. Bobbie was waiting with two glasses of champagne as Felipe entered the room first, kissing him a long lingering kiss as she gave him a glass. Giving me the other glass, the palm of her hand squashed in to my crotch as she kissed me as well. She broke off kissing me and sank to her knees undoing my jeans and pulled the zip down and pulling them and my boxers down to my feet.

My cock looked her straight in the face, its big purple head all swollen and throbbing. Bobbie paused looking at it as her fingers wrapped around it and she licked her lips. Her warm mouth was now wrapped around the head and I could feel her tongue working the tip of it. It wasn't long before my precum was lubricating her lips as she slid back and forth and stroked my balls with her other hand. I was so wrapped up with Bobbie sucking my cock I forgot about Felipe, as he unzipped her dress and slid the dress off her shoulders, exposing her bosom that was squeezing together in her black lacy bra.

Bobbie pulled her mouth off my cock, pulling her dress off each arm before squeezing her tits together around my cock. With her fingers inside her bra, she pulled her bra down off her boobs letting them fall out. Then squeezing them together again around my cock with her hard nipples circled by her finger and thumb visible for me to see.

She pulled back and stood up letting her dress drop to the floor. Felipe undid her bra and at last saw I her perfect boobs. She stepped backwards to the bed, revealing more of her nakedness to me. She had a perfect body with a trim lightly hairy pussy that I had to touch. She lay back on her elbows and lifted her feet on to the frame of the bed, parting her sexy looking stocking clad legs; her whole pussy was now exposed to me. Sinking on to my knees and threading my arms under her raised legs, I could not resist from wanting to bury my head into her soft pussy. As her legs parted fully, her pink lips glistening with her pussy lube. I licked her sweet tasting pussy lips of her juice, working my tongue in and out of her and up to her button.

lips look at each other as he sat down and he started the conversation off talking about Bobbie's dress and asked if I liked it. How could I tell him that her cleavage was giving me a hard on? Bobbie patted my leg as I complimented her on her dress, patting and squeezing the leg my cock was hiding down and growing bigger by the second. Bobbie now had the palm of her hand sitting on my cock, gently moving back and forth over it and the conversation changed to more about sex.

"We were wondering if you would like to come back to our room now for a drink? We've ordered a bottle of champagne that needs drinking." What could I say but "Yes." Bobbie sipped on her drink while her other hand felt my

Bobbie kept squashing and gyrating her pussy in to my face and let out little sharp moans. I heard a belt being undone and a zip, looking up to see Felipe pointing

his big hard cock into her face. Turning her head to the side, he feeds her his cock into her eagerly waiting mouth. Bobbie's moans were muffled as I slipped a finger inside her pussy feeling her warm wet inner walls. A loud wet sloppy noise was starting to come from her pussy with every thrust of my finger and Felipe was fucking her face just as fast. A warm wetness flooded her pussy and I could feel her muscles pulsing and contracting inside her pussy.

Now it was time to fuck her. Lifting her legs into the air, I felt my cock push open her love hole. Her pussy lips clung tight around my cock as I pushed it in.... I was in.... and she gave a gasp, slowly sliding back and forth she lowered herself off her elbows and on to the bed. Every push into her felt as tight as the first. Bobbie's pussy was so tight on my cock that it would not be long before she had my juices flowing. She gasped on every thrust and her breathing was increasing to a pant, I think she is going to cum.

Bobbie bucked and screamed wildly. My cock twitched and heaved, shooting a fountain of hot, white, steaming, creamy cum in to this woman I had lusted over for so long. She too yelled out that she was cumming, her legs gripping around me, she had me wedged tight into her. My cock pumped filling her up to bursting point. Her pussy lips forming a good seal until now let go, all that air I pumped in to her tight fitting pussy escaped, leaving a wetness between us. We stayed coupled together until I wilted away. Gently relaxing her legs I climbed from between her legs, my cock soft and limp and her pussy open and over-flowing with cum.

Bobbie reached for Felipe's cock again. I watched as Bobbie got on to all fours, wobbling her ass in the air. Felipe guided his cock into her and fucked her slowly, Bobbie moaning and gasping as he filled her. "Come here in front of me" Bobbie said looking at me.

Resting on one elbow she reached out for my limp cock, touching my sticky balls, she licked her lips. Felipe was pounding her hard now from behind and as Bobbie rocked back and forth, so did her hand around my cock; my limp cock was not so limp anymore. The noise of Bobbie's wet fanny being fucked made me want to join in and I stood in front of her. Her mouth opened wide and I had to judge the rhythm right or she could end up with two black eyes. The look on Felipe's face said he was about to fill her pussy but he slowed down to a steady pace.

I could now feel Bobbie working on my cock, her hand

twisting and turning as it slides up and down my shaft, her tongue licking my purple head. Bobbie had me ready again, her lips making a sloppy noise as I fucked her mouth. Felipe pulled out and came around to the front of her and indicating for me to swap ends. Felipe filled her mouth again as I saw her open pussy lips between her legs, all red and wet with the pounding it had just taken. Holding my cock, I ran the tip up and down her lips a few times before pushing it straight in, up to my balls.

Nice and slow, I penetrated deeper in to her pussy than before I put my hand to her pussy, finding her clit hard and enlarged and began circling it with my finger. If I was right she was about to come. I made a swirling motion with my fingers rubbing her clit up and down, faster as her panting got faster. I slowly slid my cock in and out filling her pussy. She worked on Felipe's cock between her moans, her hand frantically jerking it in to her mouth.

She was panting hard now and Felipe and I were slamming her harder and harder and then, like a fit, she convulsed into a massive orgasm, which seemed to last forever, and Felipe and I exploded too. Bobbie kept moaning and panting from her last orgasm, a wet sloppy sound coming from her pussy filled the room as Felipe and I pulled out.

All of us stopping quite still, panting and trying to get our breath back, letting our orgasm's run their course. The smell of warm sex rising between us all as we I peeled our bodies away from Bobbie. Soon after, she got up and went to the bathroom to clean up; I found my jeans and boxers and got dressed. When she came back and got dressed, as did Felipe, we agreed it had been wonderful and so arranged to meet the week after for more of the same, but I would travel to them as a guest in their home for a long weekend. I was hard again just thinking about it on my drive home, that wonderful woman who I had lusted over, and a friend in Felipe for letting me fuck her.

I love Indian food, champagne and flowers, and I relish every moment of life without hurry or concerns. I run in the fast lane but always take it nice and slow. I take my men lightly, but sex seriously. I want to be sure there is the right connection before I put my body and emotions on the line. But when I do, it's all out. Every part of me is in for the flight to ecstasy and you can be my co-pilot. Just be sure that we land together.

Stephani & Veronica

We have really busy lives and find it hard to carve out a little time for our men anymore. We grew more and more apart from them and we found we liked our freedom. But what we found is that we really like mutual masturbation with each other. As best girlfriends, we've been doing each other since, well, for a long time. We'd get naked and play with each other's clitties. Watch us!

Melanie

I think it all started early with me. I loved to masturbate and run my fingers all over the sexy parts of my body. I'd pinch my nipples hard until they were very sore. Then I discovered that playing with my pussy felt really good. Now I let guys do that for me and every one has loved playing inside.

BLAIR-NTS-09

A couple days ago I got a call at the office from my wife Luciana, who told me her best friend in Torrance was throwing an 'intimates' party for her friend Emelia's upcoming wedding a couple days before the soccer season was to open. She wanted me to take Friday off so we could drive up there. Reluctantly, I agreed knowing I'd be missing my two favorite Los Angeles soccer teams playing. Luciana told me that shwe would make it worth my while without telling me more. I was vaguely interested.

So Friday rolls around and we head up I-5 from Anaheim to Torrance. Luciana was excited to see Emelia again, It had been over a year but they talk on the phone at least three to four times a week. Luciana and I arrived at her house after a leisurely hour drive and noticed several cars in front of her house. I find a place to park and we walk up to her house. I rang the bell and Emelia answers. The two ladies hug for almost a minute and then I get a warm kiss on the cheek and fingers through my hair telling me I had gotten whiter since she last saw me. When we went in, there were two couples that I didn't

know and a few other ladies sitting around the living room, sipping drinks and laughing. Emelia introduced Luciana to everyone I sat down on the only available chair. Luciana sat on my lap and we joined in on the conversations and merriment.

I looked around the living room and suddenly noticed laid out all across the coffee table were what looked like adult toys and sexy lingerie. This must be how they're throwing the engagement party for Lorraine and Harry, one of the couples there. I had heard of these types of parties but had never been to one before.

Arranged on the table and tucked into corners of the sofa and chairs were various vibrators, oils and lingerie. Some were still in boxes and others had been opened and were being passed around with great amusement. One of the ladies held up a big pink dildo and said, "This looks like one I would like," and then added, "but I'd rather have someone use it on me instead." Luciana stretched out her hand and took it from the lady and studied it for a moment and then looked at Emelia and said "Don't you wish you had a man who had something like this?" Everyone laughed except Emelia who I could sense was a bit embarrassed. Luciana then lifted the dildo up toward her mouth and said, "I would start by doing this." And she started to seductively and gently lick it.

I pinched Luciana and whispered for her to stop teasing, but then Emelia shouts out, "Come on Luci, show us how you do it!" There was more laughing and that was all the encouragement Luciana needed. She started to push the pink dildo into her mouth and suck on the head. I could see the dildo up close

now. It had realistic looking veins up and down the shaft and a perfect mushroom top on the head. Even the balls hanging from the base of the shaft looked realistic, minus the hair, of course. I wanted to stop her but was also kind of turned on watching her perform for the group. I looked over at Emelia and she just smiled and shook her head like she couldn't believe it.

Everyone seemed to be having fun with it so I just watched as Luciana stood up and propped up the base of dildo on the edge of the coffee table. Then she got down on her knees and started to suck on it up and down. Everyone was getting a bit carried away by now and they were encouraging Luciana to go wild on the big, pink life-like dildo. Luciana continued to suck, using the same technique she always used on me. I looked around the room and everyone seemed to be into what she was doing.

Then Luciana looked up at Emelia and reached out with her hand, "Come here you."

Emelia just sat there with this look of shock on her face, but I think all of us were even more shocked when she actually got off the couch and got down on her knees next to Luciana. Luciana moved down and licked on the ball sack and the two of them worked on it like a team of porn stars trying for a cock-sucking award. Everyone was pretty quiet now watching the show and I'm sure the four of us guys were stiff as hell watching. Emelia was always pretty conservative, but there she was showing off her oral skills. I sat there wondering where, or on who, she learned to do that. She plays the stand-offish woman, but was probably a little slut under it all.

The night wound down and people collected their things as midnight approached. Emelia stood by the door talking with Luciana for a few minutes and then reached in a bag and handed the pink dildo to Luciana. As we left, Emelia closed the door, giving her a big thumbs up, and said she'd see us tomorrow.

Emelia was always pretty conservative, but there she was showing off her oral skills. I sat there wondering where, or on who, she learned to do that. She plays the stand-offish woman, but was probably a little slut under it all.

We drove back to our hotel and almost ran to the room. Luciana and I were both very turned on and we got quickly showered, undressed and jumped into bed. I licked and kissed her body all over and then slid down to suck on her pussy. I handed her the dildo and looked up to watch her sucking on it. It was so hot seeing her take it in and out of her mouth while I tongued her pussy. I moved up onto my knees and slid my cock into her, all the time she was sucking and slurping on the dildo in earnest. I pushed my cock in and out of her and eventually had to pull out since I felt like I was going to blow my load any second. I took the dildo away from her mouth and gripped the base of it and slowly worked it into her pussy. It was definitely bigger than me.

I watched it disappear into her as I leaned down and licked her clit while pushing it in and out slowly. Luciana squirmed and wiggled as I continued to play with her. She then let out a little squeal and came hard as I pushed it deep into her. I slowed down for a moment and then started on her again. Then I pushed her over onto her stomach with the dildo deep inside her and started to run my tongue all over her sweet tight asshole. I darted my tongue in and out and got her sloppy wet. I got next to her and pressed the head of my cock against her moist anus.

When I finally was fully into her little brown hole, I pulled her over and onto me. I was lying on my back now and she was lying with her back on top of my chest and facing up toward the ceiling. My cock was deep in her ass now and the dildo was firmly in her pussy. She grabbed the base of it and pushed it in and out of her while I lifted her by the hips and gently wiggled my cock around inside her tight ass giving Luciana, and me, her first double penetration.

I rolled us over on our sides and reached around to take control of the dildo and grabbed it by the base and worked it in and out of her pretty fast. It must have been an incredible feeling for her. Finally, I let go of the dildo, lifted Luciana's legs up into the air and exploded into her ass. The tight grip of her sphincter made it even more intense and I could feel my cock pumping harder as my balls drained completely. I rolled Luciana onto her side and felt her tight ass muscles slowly push me out. The dildo was still buried deep in her pussy and she pulled it out nice and slow. We held it between us and talked about how we felt using it. Luciana was all for it and said she would do it again and again if I was okay with it. I told her I was and said I didn't even mind her using it when I wasn't there.

We both needed something to drink after that session so I went to the small fridge in the room and took the mini bottles of wine. On top of the fridge I noticed some leftover packaging that had been left on it. I gathered it up to throw it out and noticed two cock rings amidst the cardboard and plastic. I looked at them for a moment and slipped them on around the base of my cock. Almost immediately I started to get hard again.

Smiling to myself, I went back upstairs and stood by the bed right in front of Luciana's face. She saw I was hard again and reached out to grab my cock. I guided her hand to the ring and she felt it, looked up at me and smiled. "I never thought you'd be a fan of sex toys." she said as she pulled my cock into her mouth. "I am now!" I said.

I had just finished getting fucked for this layout when the photographer asked me if I had ever cheated. I immediately said NO! But I could sense he could tell I was lying. After the wrap, I confessed that I had and that I kinda liked it. We laughed and he kinda came on to me which I kinda liked. Well, I did it again, with him this time, and I liked it even more than before. I think I'll stay just the way I am.

Hayden & Sarah & Chloe

Hi, that's me Chloe, on the right. I've invited a couple girlfriends over for some sexual bonding. I like to look at life as a great gift filled with uncountable possibilities and the world as a place full of opportunities for us women. Especially the broad spectrum of sexuality, sensuality and eroticism fascinates and attracts us. The three of us will ponder that and then get down to fucking!
